## INTRODUCTION:

### ABOUT US

Al Manal Carpets & Furniture L.L.C. (MCF) was founded in 1992, by Ms. Zahra Abdulle. Al Manal Carpets & Furniture L.L.C. continuously seeks a path which provides perfection through delivery and performance.

Al Manal Carpets & Furniture Consists of 7 branches worldwide, and supply to United Arab Emirates, Oman, and Africa.

Our dedication to providing high quality products and services to our clients in the wholesale, retail, commercial and residential arena has positioned Al Manal strategically in the market.

We are confident that by maintaining our outstanding quality we are able to steadily diversify our product lines and services to match our customers' needs.

Today, we offer a handful of products and services allowing us to confidently delve in the market with tools that permit us to provide maximum satisfaction for our end users.

### VALUES

- Family
- Innovation
- On-Time Delivery
- Quality of Excellence
- Employee Safety and Satisfaction
- Customer Relations

### OBJECTIVES

Our main objective is to cater to the wholesale and Retail market while meeting customer budget and specifications.

### VISION

*"Our vision is to maintain our family style run business and to diversify our product line to cater to all interior needs by providing a one stop service supply. We are also dedicated and committed to expanding our business relationships worldwide to supply our products and services to the international arena."*

### MISSION

*"In order to make our mission a reality, we endeavour to create various innovative design solutions for interiors spaces, through our materials and resources to we provide to the wholesale, retail, and projects arena."*

## STRENGTHS AND COMPETENCIES:

	<b>Quality</b>	Impeccable Quality and great value for money.
	<b>Employees</b>	Professional and qualified employees, trained to execute as per Al Manal standards.
	<b>Strategic Relationships</b>	This is essential to our two main objectives; product development and distribution.
	<b>Technology</b>	Continuously aspire to follow latest technological trends.
	<b>Business Practices and Ethics</b>	Implement the most ethical practices and abide by all rules and regulation.
	<b>Environment</b>	Since we manufacture our carpets locally we believe we are already achieving half of our success in being an environmentally sustainable company. We use technology to our advantage in reducing the usage of the natural resources and look for alternatives.
	<b>Local Production and Manufacturing Success</b>	Ease of production, Reduced transportation, and Shorter delivery and installation time.
